

# Speaking for Success: Idea-rich techniques to master your message and power up your presentations

Speaking for Success! Idea-rich techniques to master your message and power to your presentation. You can learn to be a more confident, persuasive, and powerful speaker! Many of us fear getting in front of an audience; perhaps a client, an employer, or a group of people. Speaking for Success draws from 25 years first-hand expertise in crafting and delivering presentations around the globe. This idea-rich guide has proven tips, techniques, and creative ideas based on Bob Idea Man Hooeys real-life, on-stage experiences. They work, and, when applied, they will help you succeed in front of any audience. Speak like a PRO!

Your ability to succeed in life or business is leveraged on your ability to effectively communicate your ideas orally or in writing. Your ability to climb the corporate ladder is directly dependent on these skills. This pro-active idea-rich book, created by an award-winning, internationally accredited speaker, can give you solid skills and the understanding of what it takes to be an effective communicator. Enhance your communication abilities by applying proven ideas and success tools. Uncover innovative ideas and secrets from North Americas finest communicators and speaking professionals. Overcome your fear of speaking and tap into your real power to connect and persuade an audience, team, or client to follow your lead. Discover how to accurately organize and powerfully convey your thoughts. Explore how to dramatically increase your chances of being promoted, increase sales, and successfully enhance your career. Successfully apply your enhanced communication skills as leadership, sales and negotiation tools. The author also offers one-on-one or small group coaching presentation skills sessions based on this publication. Ask him how he can help you and your team hone your presentation skills and message.
