

A Must Read For Couples Before You Plan Your Wedding! Marriage is a wonderful institution. It's perhaps one of the biggest decisions you will ever make in your life. It's a decision that usually affects all other decisions you make later on. When people begin ruminating about marriage, they obviously want the best for their future. They dream of starting a family with beautiful kids, having their own home and growing old with the person they have chosen to be their life partner. No couple ever marries, with plans to get a divorce. Yet we still hear of people getting divorce every single day! This book is a marriage preparatory guidebook. Many couples spend a great deal of time preparing for their wedding but not their marriage. In this book you will find 21 habits or practices of successful marriages and also marriages that fail. By sharing stories of their own painful or joyful experiences, these people hope that no one else will have to go through the painful experience of a divorce and that they can live a happily married life. Below are some of the many topics covered: - Dealing With In-laws - Money Matters - Communication - Preventing Infidelity - Marriages in the age of Social Media - Intimacy and Sex This book is a start of your divorce proof and everlasting marriage!
