

# Inspirations from the Vikings: An Adult Journey of Imagination Through Color and Designs (Tribal Art Series) (Volume 3)

An eclectic presentation of illustrations from a number of artistic sources, including some 19th-century art. All illustrations are ready for you to color using your own imagination and creativity.

This art and many designs are inspired by the ancient ones of Scandinavia ... those Nordic folks called the Vikings. Enjoy coloring these pages full of history, myth, legend, fantasy, art and symbology. You will find a variety of simple to complex illustrations from ancient depictions to modern-fantasy art. Pages are printed on one side only so the pages will not be likely to bleed through onto the following coloring page. Plus, with this design, you will be able to cut out our favorite completed pieces of art so you can display or frame them. This book is specially designed to provide you with hours of enjoyment and relaxation. Your Vikings Coloring Experience will hopefully allow you to escape to a world of inspiration and artistic fulfillment.
