

Forever Night

This is part one of my all new Marlie Dreslow series. Life for fifteen year old Marlie Dreslow gets turned upside-down when a new family moves into 1873 Hampshire Court - an old cape cod style house that had sat empty for years. When she catches a glimpse of Kyle Stevenson - the familys eldest son, she becomes obsessed with meeting him, but that becomes a monumental task when she discovers the enigmatic teenager is never home despite his car always being in the driveway.
