

# 2 X 215 REASONS WHY JESUS DID NOT COME BACK IN 2015

As in the past, so it is in the present. Men continue to predict the coming of the Lord according to their calculations. Numerous dates have previously been set for this occurrence only to be revised when it did not occur. The latest prediction as of this writing was set for September of 2015. It is prophesied by the scriptures that this date need be modified also.. The predicted dates will continue to occur until we get the picture that we may be misinterpreting the scriptures.. In this work, G.L. Parks examines the scriptures from a different perspective than he was taught and that which is found in much of the contemporary church world.
