

Habrá escuchado que casarse significa estar cazado, preso, sin las libertades que antes se tenían, pero quienes disfrutamos del matrimonio afirmamos que la verdadera vida se vive en pareja. Nuestros ancestros decidieron casarse y los ancestros de nuestros ancestros también. Algo de sabiduría habrán tenido. Hoy, en un mundo donde los divorcios son moneda corriente, donde parece que esta institución no tiene lugar, hay millones de personas que desean casarse, aun en segundas y terceras nupcias. ¿Debe tener algo muy especial! En las páginas de este libro descubrirás que casarse implica donarse totalmente al otro, darle, de por vida y en exclusividad, los diferentes aspectos de tu vida. Se convierte en la relación más increíble. Casarse representa de forma tangible la única unión sobre la tierra que puede recrear lo que Dios tuvo en mente al crear al ser humano en el Jardín del Edén. Descubre las herramientas y los recursos vinculados para que tu matrimonio sea genial, seguro, feliz y divertido. You have probably heard that getting married means to be trapped, deprived of the liberties you had before, but those of us who enjoy being married affirm that the true life is lived as a couple. Our ancestors decided to get married, and their own ancestors did too. They must have had some wisdom. Today, in a world where divorce is a regular occurrence, where it seems this institution has no place, there are millions of people who want to get married, even for the second or third time. Marriage must be something really special! In this book you will find that getting married implies giving yourself completely to another; giving, for the rest of your life and exclusively, the different areas of your life. It becomes the most incredible relationship. Marriage represents in a tangible way the only bond on earth that can recreate what God had in mind when he created human beings in the Garden of Eden. Discover the tools and resources that will make your marriage great, safe, happy, and fun.
