

## How to Access the Power of God

Waymond Jenkins was born in Portsmouth, Va. He had shown an interest in religion at a very young age, but he found it very confusing. Even at a very young age Waymond found many inconsistencies both in the way the scriptures were written and the way the scriptures were being taught. After abandoning church and religion altogether, Waymond became consumed by the cares of the world which would ultimately land him in a lot of troubles. While he was incarcerated, Waymond began a quest for knowledge and understanding of the Sacred Scriptures. After a thirteen year period of study and meditation, Waymond produced the great work called How To Access The Power Of God, which is a book that is designed to give all human beings access to the Truth concerning the scriptures and access to the same Power Source that enabled Christ to raise the dead, heal the sick, have dominion over the air, land, and seas, overcome the forces of evil, and to live, think, and act according to the Supreme Knowledge, Supreme Wisdom, and Supreme Understanding of God.
