

Kids Things To Do (Fun Games, Activities & Learning For The Boring School Holidays Book 1)

Discover How To Turbo-Charge Your Childrens Learning With Dozens Of Activities That Are Guaranteed Fun Ways To Stimulate Their Minds During The Long School Holidays. Including Ten Effective Strategies For Children Of All Ages To Generate Pocket Money And Learn Some Valuable Entrepreneurial Skills Along The Way. As parents and grandparents ourselves, we personally know how difficult it can be to get the balance right between fun, and children learning during the long school holidays. Having fun is all well and good for your kids, but fun without education, stimulation or learning, is just a wasted opportunity for your childrens learning development. Now, most youngsters today just want to have kids fun - full stop. And because you are a caring parent who wants the best for your kids, you want to guarantee that they have their kids fun, but at the same time, ensure that they are actually learning and developing as well. The trick is to be able to turn kids fun, into kids fun learning. And to do that, you need a reliable point of reference; a valuable source you can refer to over and over again. You need an up-to-date book which has vital information about masses of things to see, do, make and learn ...whilst ensuring your kids are always having fun, but learning and developing at the same time ... and most importantly, without them even realizing it! Most People Dont Have Access To The Correct Type Of Games, Crafts, Activities, Ideas, Projects And Plans, To Turbo Charge Their Childrens Learning, While At The Same Time Maintaining That Holiday-Fun Atmosphere....but we have done all of the research for you. The kids educational games have all been fully tried and tested. Your childrens learning games all do what they are supposed to do. Its not just a Childrens Learning Book, its more like a Childrens Learning Center - or to be more

accurate, a Childrens Learning World! Its Packed With Masses Of Fun Ideas That Really Stimulate And Educate Children Of All Ages For The Whole Of Their School Holidays! So Whats Inside This Fascinating Book? Scores Of ideas for Fun, Education and Profit Over 17,000 words Arts, Crafts, Games, Activities and Ideas Entrepreneurial ways to make Pocket Money Things and Places to Discover Kids Educational Activity Fun Loads of Things to See, Do, Make, and Learn... plus a whole lot more. This is NOT a flimsy booklet like most other offerings on the market, or like much of the substandard kids learning activities online. Its a substantial book that deals with and delivers exactly what it sets out to do. Kids learning books that really deliver are rare. Most kids learning games turn out to be short-lived fun, rather than optimized kids fun learning. Your children really can have fun and learn at the same time, but only if you choose their arts, crafts, games and activities carefully. Your children would expect you to do that. Your children deserve that. Your Children Can Have Real Fun On Their School Holidays, But Most Importantly And Without Realizing It, They Will... Improve their concentration Learn to be creative Become more self confident Learn about making money Develop social skills Create more self worth Improve their reading ability Learn weights and measures Achieve goals and targets Work as an individual and as part of a team Become self disciplined Gain entrepreneurial skills Earn rewards Improve fitness Learn life skills Build character Learn about the natural world Become more responsible Sharpen their counting skills... and much more too! It provides all of the right sort of kids fun learning ideas (they learn and develop without realizing it) and it will keep them fully occupied and out of mischief for the whole of the school holidays. It really is an investment in your childrens learning and happiness.
