

If you think that the title of this book sounds extravagant, think again. For Jas Gates, having spent years researching job-search strategies, interview techniques and attitudes to work, has developed an approach to effective job-hunting which has been tried, tested and refined. How to Get a Job in 24 Hours does exactly what it says on the cover. From offering hints on how to draft the perfect CV and apply a little persistence, to the secrets of marketing our skills and ourselves, it teaches that finding a job can be easier, more pleasurable and quicker than most of us believe.
