Indoor Activities For Kids: From Games to Crafts To Various Educational Activities. Staying indoors can feel like punishment for kids, but there are various ways to keep children occupied on days when it's impossible to play outside. In this book, you will learn: Different pencil and paper games you can teach kids. Building activities. Magic tricks to perform. Card games you can play. Classic games of freeze and tag. Board and family games you can try. How to create paper bag skits. These are just a few of the examples that you can try as you find ways to keep kids occupied when they have to stay indoors. A must-have for every parent or guardian.
