

## Satan, the Devil, Demons, and Hell

There are great numbers of Jews, Christians, and Muslims who falsely hold to a strong belief that there exists a great, evil, spirit being known as Satan. They believe that Satan is king over evil spirits, known as demons. It is widely believed that their abode, which is also the ever-lasting dwelling place of the wicked dead humans, is a burning hell. Dennis Moel has considered just about every reference, mention, and allusion to them that are found in the Holy Bible. Along the way he demonstrates that biblical uses of these are symbolic language, metaphors, and allegories. Moel staunchly believes that the Old and the New Testaments references to them are absolutely correct, and he carefully explains each of them clearly and simply.
