

## 33 1/3 Success Shortcuts I Wish Someone Had Taught Me Sooner

Book Promo Here's how reading this powerful book can make YOU wiser, attract what YOU want in life and put YOU in an elite group of insightful people who lead a FUN life full of rich experiences. A friend of mine told me that those who have the most fun also make the most money! I wasn't sure if he was right. But when I watch TV personalities who make millions of dollars every year they always point out in their interviews how much fun they're having. I'm sure you'll find that to be true in your life as well! It's not that hard. All you have to do is master the 33 1/3 EASY principles in this book for good living and be prepared to lead the most amazing life - exceeding your wildest dreams! If you are out of work and are looking for something to do you've come to the right place. Or if you're a businessperson wanting to charge up your business, read this book right away. Or maybe you're in the corporate world and want to move up quickly. Or you already have a great life but want to grow your joy exponentially, this book is for you! Here's just a partial list of what you'll learn in this book: The FASTEST way to a six-figure income (college education NOT required). How to make great decisions quickly. The better your decisions, the better your life! How to use two extremely powerful laws to get what you've always wanted. How to get free attention from the media to explode your ideas. How to advance rapidly to higher pay at your job. The secret to becoming a great public speaker to move people to assist you. Just listen to some of the ovations for this book: Very well written and easy to read. Great advice that can be used by anyone, no matter what their profession. Good job, David!
