

5 Secrets Every Golf Cart Owner Needs to Know to Take Care of Their Golf Carts Batteries

The information contained in this book is extremely valuable for every individual who owns a golf cart. The inside information in this book will benefit the golf cart owner by extending the life of their golf carts batteries. There are five chapters included in the book of which the first two cover: Chapter One: Every Golf Cart Owner Needs To Know This Secret To Tell How Old Their Batteries Are. Knowing The Age Of The Batteries Will Give You Valuable Information About The Service Life & Performance Of The Golf Car Chapter Two: Every Golf Cart Owner Needs To Know The Secret Of How To Have The Right Fluid & Fluid Levels In Their Golf Carts Batteries Allowing The Batteries To Go Dry Is The Number One Reason For Golf Cart Battery Replacement. Trade secrets revealed will save the cost of this book many times over. There are three additional chapters encompassing over 30 pages of extremely helpful information born out of real life experiences from a golf cart dealership with numerous service calls and battery related repairs. Equipping yourself with the same industry trade secrets that the pros do will enable you to get the same extended life from your golf cart batteries just as they do theirs.
