

Divorce Doesn't Work ... But This Does

About 50% of intimate relationships split up just when they're about to breakthrough? In that 50% there is emotional pain, broken lives and financial devastation. The end of a relationship is devastating and 5 years down the track, the majority of people wish they hadn't! People do it because they see no other way. The worst is that innocents get caught up in the process - children, extended family and mutual friends. There is just no way to protect these people. This book is about how emotions make and break relationships and what you need to do to have a relationship better than you ever thought possible, especially with the partner you've got now. In this book you find out how to; Turn problems and challenges into transformational experiences, Make your partner your Perfect Partner when the going is tough, Use conflict and argument to make relationships grow, Avoid the pitfalls of procrastination, Have the best life possible with the partner you are with, Have healthy and vital relationships that keep getting better, Understand the cycle of emotional growth, Apply the cycle of emotional growth to your relationships and your life.
