

Conversing: Building a Healthy Marriage One Conversation at a Time

(Please Note: There are two versions available of this book. This version is Fixed Lay-Out, with Lovely Graphics and therefore a Larger File Size to download.) In *Conversing*, Paul Nyamuda invites you on an eventful journey exploring the power and depth of relational maturity in the context of marriage. The fundamental premise of this book is that every relationship is built one conversation at a time. This book is a must-read for those preparing for marriage, newly-weds and also those who have been married for many years. Its never too late to learn the art of conversing. So many marital problems can be reversed in a short space of time by couples learning to use the tools presented in *Conversing*. Paul uses a very practical approach consisting of many tools that will help you to make a fundamental shift from mediocrity to marital bliss. Some of the topics covered are the art of apology, appreciation, needs, sex, feedback and question-asking. Join us on this journey to transform society by fundamentally relearning how to converse. This book is very easy to use in a variety of contexts including group studies, individual development and also as a counselling work book. Ideally its great when a couple can work through it together. Enjoy! Some of the topics covered are: ?? The Apology Conversation ?? The Appreciation Conversation ?? The Needs Conversation ?? The Sex Conversation ?? The Feedback Conversation ?? The Art of Question-asking ?? The Boundary Conversation ?? The Planning Conversation ?? The Honour Conversation and more
