

The Popsicle Split

Josh Resnik is a happy fourth grader living with his loving parents and adorable new dog. Shortly after his tenth birthday, however, events take place in Josh's life that will cause him to face difficult questions and even more difficult answers. Thanks to the support and love from his family and friends, Josh quickly learns that, even when life's events turn tragic, he is never alone. *The Popsicle Split*, a novel for young readers by Dylan Siegman and Larry Dachslager, uses humor, heart, and sensitivity to tell the story of a young boy working through one of life's most heart-breaking challenges.
