

7 Reasons to Keep on Living

For over a quarter of a century, T.M. Anthony's 7 Reasons To Keep On Living has been giving hope to those who have lost it and help to those who seek it. No stranger to this battle himself, Anthony struggled with thoughts of ending it all as a teen only to find a powerful sense of mission and purpose soon after the crisis had passed in his life. Now in this revised and updated edition, he again challenges those who have been injured, disillusioned, and depressed. Tens of thousands of lives have been touched by this work and many more will be as you read this book and pass it on to someone you care for. In this book, those who seek hope can find it in the following reasons to live: 1. Somebody Loves You 2. You Have No Right To Take Your Own Life 3. You Can Make It 4. You Know Where Your Troubles Are Coming From and You Can Fight Back 5. God Has An Answer For All Your Problems 6. You Can Help Others 7. You Can Have A New Start Everyone who is hurting and struggling can find a true sense of purpose. There will never be another you!
