

My Relationship Sucks: Find Out Why. Its Not What You Think

If you think your relationship sucks, you're not alone. Many people's relationships suck but they don't truly know why. This book can help you find out why so you can fix your relationship forever and as the subtitle says, it's nearly always not what you think. If you want real life relationship advice from someone successfully married for a long time without all the psychobabble from many authors who have had one if not more failed relationships, check this book out. The goal of this book is to help you create a loving, happy relationship that lasts a lifetime so you never utter the words my relationship sucks again.
