

Bewitching Jewelry: Jewelry of the Black Arts:New Modes in Occult Charms

Bewitching Jewelry opens the occult showcase of amulets and talismans. It examines the glittering and mystic trappings of the supernatural. Learn what the well-dressed witches are wearing; and why! Rip away the ritual robe and peek at the pendants, bracelets, rings, and necklaces of witchcraft. Amulets and talismans are among the most powerful of all psychic baubles. Mysticism is universal, and amulets are common to all people. Talismans act more as lures to make things happen, amulets are usually used as shields, to safeguard the wearer from misfortunes. Psychics claim that an amulet possesses supernatural powers, while a talisman may be a piece of jewelry or any object may become a talisman. Choosing the right amulets and talismans for your black-arts jewelry box may help you become happier, healthier and wealthier. This witch's jewel case exhibits the ornamental wonders that may help you achieve goals and fulfill ambitions, Learn how to recognize the pieces of bewitching jewelry that many men and women are wearing. You will know what people are trying to accomplish just by observing their occult jewelry.
