

Orientation to College Learning (with InfoTrac) (Wadsworth College Success)

This text provides students with a solid foundation of learning skills and strategies that will help them succeed in college. This is the brief, non-workbook version of Van Blerkoms well-regarded COLLEGE STUDY SKILLS. The text is extensively class-tested, exhibiting the authors wide teaching experience and real understanding of students needs. No other text does a better job of building on the students previous years of studying to prepare them for intensive, faster paced college courses.
