

Secretful (Secrets) (Volume 1)

Marybeth Sinver was ready to call herself crazy. Who wouldn't when they see things move and explode on their own? But Mary is finally faced with the truth when they start happening to her sister too, and suddenly being crazy isn't so bad compared to accepting that she's a white witch. It's then Mary slowly unlocks the wonders of magic and the most painful secrets from the people she trusts. With the secrets comes a cold-blooded monster who wants to destroy everything and everyone Mary holds dear. Oh, and he's a freaking vampire! Seriously? Doesn't anyone realize she's still just in high school? Now more than ever Mary needs to learn how to use her powers in order to protect those loves. But the secrets of those she's trying to protect might just be her undoing.
