

# Domainers Bible: A Beginners Guide To Buying and Selling Domain Names (Fifth Edition)

Domain names have and will continue to go up in value faster than any other commodity ever known to man. Bill Gates CEO of Microsoft Are you interested in making money buying and selling domain names? If so, the recently updated Domainers Bible (5th Edition - February, 2014) is just what you need! Written with the beginner in mind, this book will show you the basics of the domain name business. You will learn how experienced domainers create or buy existing domain names that they can sell for a profit, and how they develop or park domain names and earn recurring passive income from them. After reading this book, you will understand the significant earnings potential associated with domaining. Youll acquire the basic knowledge required to get started in this exciting and ever growing business. You will also learn the most common (and expensive!) mistakes made by beginners and how you can avoid making them. Topics covered in this book include; - Introduction To Domaining - How To Make Money Domaining - Domain Valuation & Acquisition - Domain Value Characteristics - Assessing Revenue Potential - Assessing Traffic Potential - Understanding Traffic Flow - Pay-Per-Click Parking - Developing Domains - Selling Domains - Creating An Investment Strategy - Common Beginner Mistakes To Avoid If youre serious about learning how to make money buying and selling domain names, read the Domainers Bible now!
