

With the torrent of sensational books on prophecy, end times, and the book of Revelation, *A Guide to Biblical Prophecy* stands out as a balanced and biblical assessment of the nature of prophecy in the Bible. It is written not by self-acclaimed authorities, but by such respected evangelical voices as George Eldon Ladd, Walter Kaiser, Jr., Richard Longenecker, and Donald Hagner. A new Study Guide has been incorporated as the last chapter to facilitate individual study and group discussion.
