

# A Football Fling: Could Oxford United Really Steal the Heart of a Manchester City Fanatic?

When Steve Mingles financial services company was pulled out of the hat as shirt sponsor at League Two Oxford United in 2013, it sparked a crazy period for the fanatical football follower - for as well as becoming closely involved with the Us, Steve is also a long-standing Manchester City season-ticket holder. Frequently faced with the emotional torment of trying to be in two places at once, A Football Fling tells the story of two hectic seasons spent following teams at opposite ends of the spectrum - from Accrington to Anfield, from Burton to Barcelona, from Mansfield to Munich. Having been granted complete behind-the-scenes access at Oxford, Steve compares every aspect of his two clubs - players, management, finances, engagement with the local community, media interaction, youth development - to provide a unique insight into how football really operates - and whether having your company name on a teams shirts can be good for business!
