

A God Entranced Vision of All Things: The Legacy of Jonathan Edwards

Useful men are some of the greatest blessings of a people. To have many such is more for a peoples happiness than almost anything, unless it be Gods own gracious, spiritual presence amongst them; they are precious gifts of heaven. Certainly one of the most useful men in evangelical history was the man who preached those words, pastor and theologian Jonathan Edwards. Commemorating his 300th birthday, general editors John Piper and Justin Taylor chose ten essays that highlight different aspects of Edwardss life and legacy and show how his teachings are just as relevant today as they were three centuries ago. Even within the church, many people know little more about Edwards than what is printed in American history textbooks-most often, excerpts from his best-known sermon, Sinners in the Hands of an Angry God. They unjustly envision Edwards preaching only fire and brimstone to frightened listeners. But he knew and preached Gods heaven as much as Satans hell. He was a humble and joyful servant, striving to glorify God in his personal life and public ministry. This books contributors investigate the character and teachings of the man who preached from a deep concern for the unsaved and a passionate desire for God. Studying the life and works of this dynamic Great Awakening figure will rouse slumbering Christians, prompting them to view the world through Edwardss God-centered lens.
