

Here within the pages of this beautiful little book, unfold true miracle stories of many people, of many walks of life, within our fine city of Medicine Hat, Alberta, Canada and surrounding area. All these stories come to us with a supernatural flavor of some essence. That being Gods Supernatural Essence, Revelations 1:8, I am the Alpha and the Omega, says the Lord God, who is , and who was, and who is to come, the Almighty. The most precious thing that God has ever created is actually you and me. Rich or poor, big or little, bad or good, God allowed His only begotten Son, Jesus, to die a horrendous death on a tree, just to claim each living person, through forgiveness of sins, for His own. Relax, sit back and drink in a few drops, of the big picture of Gods Supernatural Love, while people that you and I know personally, share of their Supernatural Miracle incounters. Enjoy!
