

A Stolen Kiss (The Stolen Royals Book 1)

A stolen kiss. An unstable curse. One big mess in the making. Derric Harver never expected to amount to anything more than the palace stableboy, but when Princess Marias curse keeps her from accepting a princes proposal, she turns to him for help, and he doesnt dare refuse. With the help of a ladys maid and a prince, Derric and Maria embark on a dangerous adventure to find the sorceress who cast the curse. Along the way they battle deadly creatures and make new friends--all the while struggling with the undeniable chemistry between them. Reaching their destination wont be easy, but the true peril lies in the truths theyve fought for years to keep hidden. A Stolen Kiss is the first in the Stolen Royals Series--an adventure with magical creatures, dangerous secrets, and being true to the power within.
