

## A Stroke of Genius

His attempt at winning the 2007 U.S. Amateur is foiled by a fierce competitor, and his dream is temporarily derailed. Could that be his *fait accompli*? This is a tale of a young aspiring golfer who is totally honed in on his golf goals and will do everything to achieve them. It's a story of his life, his upbringing and the close bonds he has with his father and his grandfather, who are key inspirations in his quest for greatness. In *A Stroke of Genius*, David H. White guides you through this young man's journey, his life, his personal relationships including a very romantic one. This is Billy Scott's attempt to be a champion at golf which, consequently, could lead him to be a champion at life.
