

Everette Hartsoes RAZOR: ANGEL IN BLACK VOL. 9 collected

At 9 years old, Nicole Mitchell witness her father, FBI Frank Mitchells brutal murder and her younger sister, Jacklyn abducted. She spent her teenage years in an institute where she suffered even more abuse at the hands of those who where there to help her.

Now 15 years later a different psyche has taken control of her, to seek revenge, to deliver pain, to bring those that destroyed her innocence to a final resting place. Nicole has become the dark angel of vengeance, known only as RAZOR..the very instrument used to slay her father. Those that cross the wrong side of her blade, rarely live to tell about it. She is a young woman with a death wish, taking a journey to find her broken soul and God have mercy on those that stand in her way.
