

Astonishing But True Golf Facts

Golfs half-a-millennium history is filled with memorable events, remarkable achievements, and truly bizarre occurrences that likely will never be duplicated. These incredible moments are chronicles in Astonishing But True Golf Facts, a compendium of fascinating tidbits from golfs storied past. Golf enthusiasts will be amazed as they read of the high - and low - points of their beloved sport, such as the amateur golfer who beat odds of over a billion to one to score two holes in one during a single round, the invento who plays with clubs made from the recycled metals of nuclear missiles, the tournament that was held up by a flock of crows, and the golf fan who was struck twice by errant drives during the 1996 U.S. Open. These true golfing stories are sure to be a source of inspiration, amusement, and astonishment to duffers and serious golfers everywhere.
