

## Amour

Romance comics have an outdated and cheesy stigma about them, but once they played a large role within comic history. Within the third phase of the Golden Era (1948 to 1954) comic readership was at an all-time high, read by both men and women, and romance comics were one of the five genres that kept comic readership diverse. In an attempt to bring more diversity back to comics, Arcana is proud to present the Amour Anthology!
