

Sunless (Angel of Darkness Book 1)

Jaylen Corrifus is a paladin who is tasked with hunting down all kinds of otherworldly beings including elves, werewolves, vampires, and undead. With his bonded angel, Zeriel, at his side, he must serve the Kingdom of Vilyron until he must be sacrificed along with the other paladins in order to bring back the sun that has vanished from the sky. Will he be able to hold onto his light magic, or will the powers of darkness corrupt his divine soul?
