

A Biblical Search for the Church Christ Founded

After Confirmation, many children cease to practice their faith or, particularly in the Caribbean, South America and Africa end up joining one of the many sects who actively recruit them. As a first step to remedy this haemorrhaging of the Church in St Lucia, Fr Linus Clovis put together a little booklet to give an outline of the answer to the pressing question Where is the Church Christ founded? The catechists positive response to this was so strong that Fr Linus was asked to develop it into a full teaching guide. This excellent resource keeps in mind the many misinterpretations of Scripture with which our children are bombarded, confused and seduced. It was, therefore, necessary not only to show that the Church Christ founded is clearly identifiable from Scripture but, also, to indicate the means to recognise her from among the numerous claimants. Additionally, this book provides a useful guide for those people of goodwill who are searching for the Church Christ founded, but do not have the skill or the time to sift through the various claims.
