

ARBA In-depth: Philosophy and Religion

Providing focused help as you build and maintain your philosophy and religion collections and field patrons requests, this new addition to the ARBA In-depth series contains over 300 critical reviews of quality reference titles by subject experts. These reviews - all of which have appeared in the last six editions of American Reference Books Annual, the long-trusted source of reliable reviews of recent reference publications - cover both general and specialized reference titles in the fields of philosophy and religion. Author, title, and subject indexes, as well as a contributor list, are provided.
