

Archie: The Married Life Book 4 (The Married Life Series)

The Eisner Award-nominated series The Married Life explores a grown-up Archie Andrews life down two paths--if he had married girl-next-door Betty Cooper or wealthy socialite Veronica Lodge. Hot on the heels of the historic marriage of Kevin Keller to Clay Walker in Book 3, Archie: The Married Life Book 4 collects issues 19-24 of the popular newsstand publication Life with Archie Magazine! This fourth volume includes the headline-grabbing stories of femme-fatale Cheryl Blossoms battle with cancer, the shooting of Clay Walker, and the subsequent Senate run of Clays husband Kevin Keller. It also follows Reggie and Bettys moment in the reality-TV spotlight and the return to Riverdale of superstar band Josie and the Pussycats! The Married Life series is the most critically acclaimed storyline in Arches more than 70-year publishing history. This fourth volume features the adult Archie characters dealing with more realistic, mature circumstances with the humor and heart Archie fans expect.
