

I Know You Love Me but Do You Like Me?: How to Become Your Mates Best Friend

In *I Know You Love Me but Do You Like Me?*, O'Connor takes a humorous look at how couples can build strong marriages by developing what he calls a like-minded love for one another. From the mystery of a woman's wardrobe to the perils of the Brownie Point system, decorating for the sexes to reading each other's minds, O'Connor pokes fun at many of the inevitable conflicts that erupt in every marriage. He offers helpful, biblical insights to help husbands and wives learn to lighten up, laugh at themselves, and become more likeable spouses in the process.
