

## Staying on the Path (Hay House Lifestyles)

The wit and wisdom of Dr. Wayne Dyer, the author of the international bestsellers *Everyday Wisdom* and *10 Secrets for Success and Inner Peace*, is reflected in this extraordinary collection of inspirational quotes and observations. He says, We are all on the same path. We're just on different places along the path. Sample quotes: The children whom you admire so much for their ability to enjoy life are not foreign creatures to you. You have one of those children inside you. I cannot always control what goes on outside, but I can always control what goes on inside. Detachment is one of life's great lessons for those on the path of enlightenment.
