

No More Goddesses

Getting a date shouldn't be this hard. Jordan Lake discovers an ancient bracelet in her grandmother's house and uncovers a family mystery that links her favorite actress, Audrey Hepburn, a romantic movie, and an aunt she never knew. Jordan hopes the bracelet will bring her love. Instead, it brings one nightmare after another, unleashing Hathor, the Egyptian love goddess, who decides it's fun to mess with the McKnight High School social scene. Jordan holds the key to vanquish Hathor, but will she figure out what it is in time to save her school, one of her best friends, and get a date to the Valentine's Day dance?
