

Before Nature caps a set of themes first brought to the fore in Santmire's previous work, most notably the classic *The Travail of Nature*. Here Santmire continues the pursuit of a theology bound up with nature and its condition, especially the fragility and fervent expectation of nature's redemption. Out of this concern, Santmire invites readers on a theological and spiritual journey to a prayerful and contemplative knowledge of the Triune God, in which practitioners are inducted into a bountiful relationship with the cosmic and universal ministry of Christ and the Spirit uniting all of nature in a single vision of hope and anticipation. Scholarly, practical, and accessible.

The Fault in our Kismets, Desperate Measures: 90 Unintimidating Recipes for the Domestically Inept, Lion Taming- On Being a Visionary Leader (On Becoming a Visionary Leader), The Teenage Chef, Resources for the Future: An International Annotated Bibliography (Bibliographies and Indexes in Economics and Economic History), Catskill Peak Experiences: Mountaineering Tales of Endurance, Survival, Exploration & Adventure from the Catskill 3500 Club, Porsche 911 (1972-1983) - Manual workshop, Inner Healing: A Handbook for Helping Yourself and Others,
