

**\*\* When 1st Released: Hot New Release and #1 Bestseller in 3 Paid Categories!\*\***For Anyone Interested in Faster and Better Reactions in a Knife Fight and Defense Training Against Multiple AttackersIf you think youre going to have time to think of, or plan, a response in a real knife fight, think again!You dont have time to think -- you have to react! Quickly and efficiently!Knife Fighting: Multiple Attacker Training Drills for Faster and Better Reactions is a small ebook with multi-training-partner activities designed to improve aspects of your knife fighting and multiple-attacker responses.Youll learn two formations for these drills ... a circle ... and a line. Within each, youll find a variety of activities that include both static and moving targets, multiple attackers, and more.These games will help teach your body to react automatically. And believe me, you wont have time for wasted motions. Youll develop your own efficient ways of moving. Included are a few ebonuses: a great exercise for multiple attacker training, an article on multi-directional kicking, and an excerpt from a book that will help you mentally prepare for all of this.While this isnt a complete book on knife fighting or multiple attacker training, the exercises will become a necessary part of your martial-arts training. If you go through these exercises in their logical progression, youll have a definite advantage over those who havent.
