

## If I Were A Boy

Tasha Bingham and Quita Lopez are best friends with a lot in common. They both excel in academics, and they're two of Hopeland High's top majorettes. But where the duo differ is when it comes to boys. While Quita is focused on keeping up her GPA, Tasha is looking for love. It isn't long before she finds it in the arms of hot, drummer boy, Miguel Perez! Head Majorette, LaRhonda Tate, has eyes on Miguel, too, and she has sure plans to land him as her own. Tasha struggles to cling to her new boyfriend, but she soon learns being with him comes at a huge price! Her whole life begins to take on one dramatic turn after another. Although Miguel plays an active role in leading Tasha down a path of devastation, he doesn't seem to notice her problems. Is it because he's just a boy and wouldn't understand? Tasha desperately needs to get her life in check, but is it too late? Find out as National Bestselling Author, Alisha Yvonne takes readers on a journey of love, drama and consequences in *If I Were A Boy*.
