

Revelationships Bible Study Manual

Does your relationship have purpose and a plan? How well do you complement your companion? Having a better connection in your relationship begins with better communication. Successful Christian-centered relationships consist of two companions first having a strong relationship with Christ, and then having an understanding of purpose in companionship. The Revelationships Bible Study Manual is an 8 week study that first helps couples to identify who they are spiritually, since true love begins with loving and knowing oneself, and then focuses on effectively loving another. Some of the topics you will learn about are: God-Centered Relationships, Spiritual Resume, Discussion Cycle, Relationship Disabilities, Spiritual Hymen, Vindication Cycle, Conflict Management, and Relationship Slating. Revelationships offers discernment tools that will enhance your personal and spiritual life. You will be equipped to uncover purpose in romantic connections and learn how to solidify life lasting bonds in your marriage. As you learn ways to improve conflict management through forgiveness, you feel empowered to confidently make better life decisions to improve your relationship foundation.
