

## The Search for Meaning (Two Friends Discuss Honest Questions About God) (CD Audio)

All too often, the demands of a hectic schedule keep us from pursuing answers to life's big questions. Such questions concern the very existence of God, whether God is just a psychological crutch for weak people, why an all-powerful God allows innocent people to suffer, does heaven exist/how does one get there, and more. Even when we find time to consider these vital issues, few people experience relationships where they can discuss such questions without fear of being judged or subjected to emotional response. But Lamar Smith and Bill Kraftson formed exactly that kind of relationship. This set of six compact disks recreates many of the conversations Bill and Lamar shared on these issues and their interactions with hundreds of others.
