

Blecky Yuckerella: Fuc- --u, -ss --le (Vol. 4) (Blecky Yuckerella)

The fourth and final collection of Ryans riotous comic strip. The stupidest, ugliest, stubbiest girl in grade number two is back and so are the zits, boogers, guts, tumors, and turds in this fourth and final collection of riotously hilarious, eye-poppingly offensive four-panel gag strips. Co-starring the usual cast of Bleckys weirdo friends and enemies, plus jelly clones, morbidly obese Jesus, the Blumpkins, slug nuts, aliens, talking belches, the beloved New Character Parade and oh so much more. Over 100 pages of ridiculous absurdity, over-the-top gross-outs, and scathing satire as only Johnny Ryan can deliver. 100 pages of black-and-white comic strips
