

Bloodstorm: An Epic Fantasy Adventure (A Tale of Sword & Sorcery, Dark Magic and Coming of Age) (Fire Crystal Legacy Book 1)

The bloodstorm is coming. A raging storm infused with blood red magic sent by the vilest overlord to destroy a land he and his demon army have been barred from entering. Nothing can stop the storms destructive fury. Nothing except..... Triya, a nineteen-year-old runner from a remote brownelf desert village is the only pureblood in the isolated land of Toor. She is the only one who can wield the dark magic necessary to seal the mythical Gates against the invaders from the outerworld. The problem is, the Gates are already open, the invaders are in the land and the desperately needed magic has been buried and outlawed and its means has been destroyed by the Toorian High Council. Triya has no idea that she has any magical talent and if she did she would be labeled a shadowed one and languishing in a prison.

When Triyas village is destroyed by unseen demon invaders, she sets out alone to find anyone alive. All she finds is a lone survivor, Azuma, a barbarian prisoner. Together they form a unique and sometimes stormy alliance in their quest to save Toor. In a frantic race against time and the approaching bloodstorm, Triya and her companions must find the three pieces of the bloodstone, seal the Gates against the bloodstorm and give the land a fighting chance against the Lord Tolobans demon army. Bloodstorm is the first book in the epic Fire Crystal Legacy series, a fantasy adventure of magic, politics, coming of age and war. A clean fantasy for all ages.
