

Creative Behaviourz

Creative Behaviourz Part 1 is an audio collection of 25 inspirational poems taken from The Behaviourz Series, written with a view to addressing certain behavioral issues, attitudes, and notions that are faced in our day-to-day lives. Whether you have an interest in poetry or you are a teacher, mentor, parent, role model, etc., I am sure you will find these poems both interesting, fun, and dynamic. Wesley Alcinder felt deeply inspired by his work in education, mental health, and everyday life. In this book, all elements combine to bring you a different kind of poetry you can really be a part of, which serves as suitable material for: General Listeners Educational Establishments Workshops Drama Classes Therapy Social Groups Creative Behaviourz is immensely versatile and is laid out to be open to your own interpretation. A variety of 25 poems of interest that are available for you to explore creatively learn in your own unique and wonderful way.
