

Grown-ups Dont Skip Have FUN Be Happy Enjoy Life

Imagine how powerful your life could be if you had the confidence and courage to think like an excited little child. If you cant remember what pure fun feels like or if you dont have a big bold dream then it is time to change your thinking and bring back the creativity, imagination, and passion of your youth. Would you be more inspired if you were free of judgment and fear? Imagine the success you could have if you were totally fearless and full of wonder and awe. We were all young once and just the fact that you were born means the pure child-like thinking is still within you somewhere. Its just a matter of clearing out the old junk and removing the obstacles so we can reconnect with the magical little being we once were. Kids are full of imagination and possibility; adults prefer reality. Kids are curious about things; adults overwhelmed by things. Kids accept other; adults try to change others. Kids are fearless; adults fearful. If you are not living a life full of passion and joy, this book will help shift your limiting beliefs so you can see the possibilities you have been missing. Grown-ups Dont Skip is full of amusing stories, lessons, and thought-provoking ideas that will encourage you to change your thinking and remember what a big happy grin feels like. From this book you will learn: How to be rediscover your creativity so you can have fun, be happy and enjoy life That fun is a childish emotion and it feels great Why imagination is a key to inspiring your dreams That enjoying the age your body happens to be is possible How child-like thinking can improve confidence and bring more opportunities To overcome obstacles and fears that could be getting in the way of your success Helpful tips to finding a common bond and making new friends Thought the book was just about smiling and being happy BUT IT IS SO MUCH MORE!!! Im almost finished reading your book for the first time. The reason I said

first time is because I know Ill continue to re-read it to refresh my childish ways. What Im trying to say is thank you for the mind opening experience! Victoria McDonald Let Susan Sherbert be your guide on a journey back to your imagination and beyond!
