

## Breathing on Purpose: Surviving the Death of a Loved One

I fell on my face and wept. I prayed for healing. I didn't want to dwell in my misery any longer. I wanted to breathe again, feel again, live life again. In *Breathing on Purpose: Surviving the Death of a Loved One*, Jessica Zondervan proves there's no stopping God when he's in the spirit of healing. Sharing her awe-inspiring story and the unique circumstances surrounding the back-to-back losses of her parents, she chronicles the miracles of God and his unforeseen guidance that carried her to a place of rest. Known for her gut-wrenching honesty and uninhibited personal experience, Jessica truthfully walks each reader through the dark days and never-ending nights of mourning, as she struggles to find herself on the other side of grief. Revealing her painful struggles with doubt and depression, and her uncounted battles with God, she details how she was able to overcome years of raw anguish, unsheltered grief, and resentment through the grace and healing power of God.
