

Bring Out The Magic in your Mind

Here is the key to the amazing untapped powers in your own mind-secrets that can transform your career and life. You don't have to be a magician or brain to command these mental resources. If you learn to employ your own natural magnetism, using the techniques of this book, you can gain amazing influence over others and will your way to business and social success. The book tells how the personal electricity within you gives you magnetic powers. You learn how to use this to send out dynamic through-wishes, silent messages that influence people to like you, trust you, and help you. Unfolding all the wonders of the human mind, this book offers a method of harnessing this magic to bring you a richer and more successful life.
