

The Vampire Way

Eighteen year old Rick Thompson is a marked man. When Damien Masonite comes to his school, he knows something is up. And when his friends start falling to vampire attacks, he knows that he and his girlfriend Laura are next. The quest to understand immortality, true love and undying friendship compromise his safety even more. Can he keep his best friends, his true love and keep his mortal life? I really could not put this book down and I finished it in a day . . . Im sure many would enjoy The Vampire Way and all it has to offer. Far From Reality An innovative approach to vampire nature and society in the context of a realistic drama of teenage love and loss Margaret L. Carter, author of Dark Changeling and Different Blood: The Vampire As Alien . . .emotional and seductive . . . Clendenning had me on the edge of me seat, squirming, longing guiltily for these same forbidden pleasures. Longing for this same love . . . Terrie Leigh Relf, editor of HUNGUR Its an all-too-rare surprise and delight, in the independent press, to discover writing as strong and evocative as Derek Clendenings. This is a writer whose work I look forward to reading more of, and whose career I look forward to following. Michael Rowe, author of Enter, Night
